

Industrial Visit at NPCIL, Kakrapar

18/01/2017

S. N. Patel Institute of Technology & Research Centre, Umrakh had organized an Industrial Visit for the students of Electronics and Communication Engineering Department at Nuclear Power Corporation of India Limited (NPCIL), Kakrapar. 39 students with 3 faculties (Prof. Jainish Rana, Prof. Shaikhji Zaid, Prof. Trupti Sonar) had actively participated in the visit. Students were briefed about how nuclear power is generated and after generation of power how the power is evacuated from power house to grid. The students also visited the control panel room to have a look at automation system used to operate the plant. The visit provided industrial exposure and clarity of theoretical concepts to the students. A thorough plant visit was given by training department to students.

SNPIT&RC believes in creating awareness and helping students in every aspect of their life. With regard to the same, the above visit was arranged for the benefit of students.
