

REPORT ON BLOOD DONATION CAMP

~BY NSS TEAM

“Nothing to loose, more to gain”

“To the young and healthy it’s no loss. To sick its hope of life. Donate Blood to give back life”

The National Service Scheme (NSS) and Vidyabharti Trust, in association with Sardar Smarak Hospital Blood Bank and Rotary Club of Bardoli have organized Blood donation camp in the college premises on 21st September 2017. Blood donation is one of the most significant contributions that a person can make towards the society. There were 110 units of blood collected. The students of different institutions of Vidyabharti Trust generously donated blood and also participated in event enthusiastically.

SAVE
LIVES

It began at around 9.30 am with lamp lightening ceremony and continued up to 3.00 pm, with a steady stream of donors throughout. The corridor and the Auditorium hall of Workshop Building was abuzz with young SNPIT'ians chatting with each other, happy to be able to play their part in lending a helping hand to people in the region.

The donors were provided with glucose water and food including biscuits and light snacks. It was great to see more people than expected to be in the venue. This stretched the capacity of the blood bank, as a result of which the contact details of the donors were taken so as to allow them to donate at the earliest to the blood bank. The samples were carefully sealed and transported away, while the volunteers helped in the cleaning-up of the area. Throughout the morning, there were smiles and laughter all around - a true embodiment of what we believe in - selfless service with a smile. The donors received certificate of recognition.
