

One Day Workshop on “PHP Technology” by Tops Technologies, Surat

05-02-2018

Mr. Mohammad Tamin Shaikh, from Tops Technologies, Surat delivered a session on “PHP Technology” at our institute, where total 43 Students of 3rd year Computer Engineering had participated in the workshop. He started with the “Basics concepts of PHP” and also demonstrated hands on practical which enabled participants to design and develop GUI driven web pages using PHP - by merging PHP code into HTML web pages, and connecting the PHP code with database using MVC. The whole session was very much interactive. Students raised many questions about their carrier in PHP technology trends etc. & resolved their doubts in that regard. Students have learned new fundamentals of PHP programming and got hands on practice of concepts too. The workshop has encouraged students to sharpen their programming skills with sturdy building block methodologies.
