

A Report of Technical Visit at Construction Site – “Common Engineering Facilities, Tajpore”

03/01/2019

Civil Engineering Department of SNPIT&RC had organized a visit of Construction Site at Tajpore for the students of 8th semester students with relevance to Construction Management and Structural Design subject. About 126 students had visited the site under supervision of Asst. Prof. Rushabh Shah, Asst. Prof. Bhavin Kashiyani, Asst. Prof. Jenish Mistry & Asst. Prof. Zalak Shah and Director of Project Management Consultancy, Mr. Jigar Shah who explained us about different site problems and different precautions taken in the emergency condition at the site. The main objective of this visit was to enhance the practical and field knowledge, to relate the theoretical concepts with real time problems and solutions. There were different activities performed at the site like excavation, footing work, formwork and steel work.
