ABOUT THE PROGRAM

All the Final Year students are required to show their projects - and/ or posters relating to the project - at a Fair, to be organized by Institute as per GTU guidelines

Guidelines: Students can present their Poster and Power Point Presentation as per template provided on website. For model preparation all the information should be given in available formats in **GTU / CiC3 / DIC / Project FY / 2019-20 / 967 (Page 4)**. The idea of project should be innovative and real-world problem based to bridge the gap between industry academia to do needful by resolving specific issues of different field. This event is free for all final year students. **All participants will get certificate and branch wise 3 prizes will be given. NO REGISTRATION FEES**

PREPARATION OF POSTERS:

- Prepare the poster on material that is lightweight. The material can be on one sheet so that it can be rolled up for easy transport or on separate panels for individual mounting.
- Posters should be readable from a distance of 6 feet (2 meters). For adequate visibility, capital letters should be at least 3/8 inch (1 cm) high after enlargement to full poster size.
- The poster should be self-explanatory so that one is free to supplement and discuss particular points raised by enquiry at the fair by the visitors. Every poster should include the poster number, Group Identity Number to distinguish while evaluation, the Title of the project, name of the faculty Guide and the names of the students, who have worked on the project.

- The team of students may prepare handouts about their project for distribution at the Fair.
