The host of the event was Dr. Payal Mahida and addressed the gathering and delivered a speech on our country, India. She enlightened the meaning of “Bharat”: Bha- The word Bha is always associated with Prakash. Like Aabha means light, Prabhat means morning, Bhaskar means dawn. All these words appear in the word and the meaning of all is clear. Rat means rest, Bharat means light is diligent in search of The journey from darkness to light is our tradition. She also stated that It is the seventh-largest country by area, the second-most populous country and the most populous democracy in the world. Bounded by the Indian Ocean on the south, the Arabian Sea on the southwest, and the

Bay of Bengal on the southeast, it shares land borders with Pakistan to the west; China, Nepal, and Bhutan to the north; and Bangladesh and Myanmar to the east. In the Indian Ocean, India is in the vicinity of Sri Lanka and the Maldives; its Andaman and Nicobar Islands share a maritime border with Thailand, Myanmar, and Indonesia.

The event moved forward with a prayer sung by Ms.Khushi Patel from TYBCA.

We all know that we are all gathered here today on a special occasion. Today we belong to India Known as Republic of India. The history of Indian Republic Day is very interesting, which started on 26th January 1930 and ended in 1950. Away from the activities of the British Government in our country Since the Constitution of India came into force, the Constitution and the Republic of our country have been respected. Every year on January 26th, the program of the Republic Day comes to celebrated. She requested our NCC commander Tumirsinh to carry forward the flag hoisting ceremony.

The ceremony was forward by National Anthem in the premises by the patriotic and enthusiastic audience. After this ceremony she quoted that “Tiranga.....The saffron orange colour of the flag explains the courage and strength of the country. The white colour in the middle represents desire for the peace. The dark green color represents the productivity, growth and prosperity of the country. The navy blue wheel with 24 spokes shows the Dharma Chakra about the great king Ashoka of Ancient India.” Then she requested Ms.Khushi Patel to sing patriotic song. After that a group of students performed dance on patriotic theme.

The entire college campus turned reverberated with the patriotic theme performances presented by the students. The concept of “Unity in Diversity” was reflected in the dance performance .then one of the HOD of Diploma Engineering came forward and sang a song. All NCC students was honoured with certificates by our respected chief guests.

Dr. Payal Mahida gave a message that We should think equally about all the states, villages and cities of India so that India can become a prosperous country without any discrimination irrespective of caste, poor, rich, high class, middle class, low class, forest protection etc. Our leaders should dominate in the nation's favor, so that every official can follow all the rules properly. To make this country a corruption free country, all the authorities should follow the Indian rules and practices. We are lucky that we get good clothes, shelter, food etc.
