A Report of Expert Session on

“Overseas Prospects After Graduation”

on Wednesday 24-02-2023

ABOUT WEBINAR:

On Wednesday 24-02-2023, an expert session on “Overseas Prospects after Graduation” was conducted at the Seminar Hall, W Wing, Mechanical Department of S.N.Patel Institute of Technology, Bardoli. The seminar was organized for 6th-semester CSE students and had a strength of more than 70 students. The expert speakers for the session were Mr. Devesh H. Sitaram and Dr. Sneha S. Patel. Mr. Devesh Sitaram is the Co-CEO of Conway Management, a hospitality management and development company at USA. Dr. Sneha Patel is a renowned lead pharmacist in the largest Arkansas health provider System-Baptist Health Medical Center at USA.

The session was anchored by Jay Chauhan, who opened the session by welcoming the expert speakers and introducing the topic of the seminar. The first speaker of the session, Mr. Devesh Sitaram, shared his insights on how international students can benefit from them. He emphasized the importance of networking and building connections with industry leaders in order to secure job opportunities abroad.

Dr. Sneha Patel, the second speaker of the session, discussed the different aspects that students need to consider before choosing to study abroad. She emphasized the importance of choosing the right course and university, preparing for the language requirements, understanding the financial aspects of studying abroad, and being mentally prepared for the cultural differences.

The session was followed by a Q&A round, where students asked various questions related to studying abroad and job opportunities in the USA. The expert speakers provided valuable insights and suggestions to the students. Here are some questions discussed in the session.

- How much does it cost to study in USA?
- How do I find a reputable study abroad program or institution?
- Are there any safety concerns or precautions I should be aware of while coming to the USA for further studies?
- How can studying in the USA enhance my career prospects and personal development?
- What are some of the challenges I may face when studying in the USA and how can I overcome them?
- How can I stay connected with my home country and loved ones while studying in the USA?
- Can I work part-time or full-time while studying in the USA and how can I find job opportunities?

Computer Science & Engineering Department

- What are the healthcare options and insurance requirements for international students?
- How can I continue my education or obtain employment opportunities after I complete my study program in the USA?
- Can a CSE graduate student or even 3rd year student can find any internship or such short training options in USA which can be later on can be extended for job or further study options over there...?
- Why is studying aboard so much hyped? As we have many good institutions in India also so why students prefer to study aboard?

The seminar concluded with a vote of thanks by Dr. Rutal Mahajan and Dr. Piyush Jain, who expressed their gratitude to the experts, the students, and the faculty members for making the seminar a success. The students left the seminar hall with a better understanding of the prospects and challenges of studying abroad and with valuable insights to help them in their future endeavors.

Expert Speakers:

Mr.DeveshSitaram ,Co- CEO of Conway Management a Hospitality Management and Development Company

Dr. Sneha S Patel , Lead Pharmacist at Baptist Health Medical Center, Arkansas, USA

About Speaker:

Mr.DeveshSitaram is a Co- CEO of Conway Management a Hospitality Management and Development Company. That has 10 Hotels under management and One hotel under construction with more than 200 employees. He Graduated from University of Arkansas at Little Rock. With a Degree in Real Estate Finance and Management with a Minor in Marketing. He has been in Little Rock Arkansas for over 15 years and has made connections within the city with many company CEO's including a few Tech Companies. He also sits on a State Board for Elevators and was appointed by the Governor for that position. Little Rock Arkansas has 66 tech companies and is still emerging as a Tech Hub in the Southern Part of America. Devo's goal is to get our College in front of these companies and create Opportunities for our Students. This year we were able to connect with One company in Little Rock Called Appety. This is only the beginning and we will continue to use Davesh's contacts in America to create more and more relationships and Opportunities In America.

Dr. SnehaS.Patel is a lead pharmacist in the largest Arkansas health provider system- Baptist Health Medical Center. She studied at the University of Louisiana at Monroe and achieved a Doctorate degree in pharmacy in six years. She has worked for multiple pharmaceutical companies including one of leading global health and wellness enterprises- Walgreens.

The poster features a dark blue background with orange and white text. At the top center is the SNPITRC logo. Below it, the text reads 'S. N. PATEL INSTITUTE OF TECHNOLOGY & RESEARCH CENTRE, UMRKHH (A Vidyabharti Trust Institution)'. The main title 'EXPERT SESSION' is in large orange letters, followed by '(Live interaction and QA)' in white. Below this, 'on' is written in white, and 'OVERSEAS PROSPECTS AFTER GRADUATION' is in large orange letters. Three icons (calendar, location pin, clock) are used to specify the date, location, and time. The text 'Opportunity to interact with experts from USA' is in white. Two circular portraits of speakers are shown with their names and titles in white text. At the bottom, four names and titles are listed in white. A dark blue circle at the bottom right contains the phone number '90 99 70 78 78'. The address is at the bottom left.
